

**Title 19—DEPARTMENT OF HEALTH AND SENIOR
SERVICES**

Division 30—Division of Regulation and Licensure

**Chapter 86—Residential Care Facilities and
Assisted Living Facilities**

**IN ADDITION
NOTICE OF SUSPENSION OF RULE**

**19 CSR 30-86.047 Administrative, Personnel, and Resident Care
Requirements for Assisted Living Facilities**

ACTION TAKEN: NOTICE OF SUSPENSION OF 19 CSR 30-86.047

19 CSR 30-86.047 shall be waived in the following manner:

19 CSR 30-86.047(20)(I) shall be waived to the extent that the provisions require assisted living facilities to maintain on the premises a written statement signed by a licensed physician or physician's designee indicating the facility employee can work in a long-term care facility and indicating any limitations.

Section 198.073.4 and 19 CSR 30-86.047 (3) and (10) shall be waived to the extent that the provisions prohibit an assisted living facility from providing care to a resident who requires skilled nursing services. This waiver allows assisted living facilities who comply with the requirements set forth in 19 CSR 30-86.045 to care for residents who need skilled nursing services so long as sufficiently trained staff are present onsite at all times to provide the required services.

19 CSR 30-86.047(45) shall be waived to the extent that the provisions require insulin injections to be administered only by a physician, licensed nurse and certified medication technician or level I medication aide who has successfully completed the state-approved course for insulin administration. This waiver allows nursing students in those facilities designated as a clinical training site for registered nurses/licensed practical nurses and those individuals, who have completed a nurse education program but have not yet taken the nurse exam, the ability to administer insulin injections, other than insulin.

19 CSR 30-86.047(46) shall be waived to the extent that the provisions require medications be administered in assisted living facilities by only physicians, licensed nurses, certified medication technicians or level I medication aides. This waiver allows nursing students in those facilities designated as a clinical training site for registered nurses/licensed practical nurses and those individuals, who have completed a nurse education program but have not yet taken the nurse exam, the ability to administer medications to residents.

EMERGENCY STATEMENT: Pursuant to Executive Order (EO) 20-04 dated March 18, 2020, the provisions referenced in this notice are suspended effective April 15, 2020 until May 15, 2020.
